Book Synopsis

Her story is a phenomenon. Her life is a disaster.

In the real world, Eliza Mirk is shy, weird, and friendless. Online, she's LadyConstellation, the anonymous creator of the wildly popular webcomic *Monstrous Sea*. Eliza can't imagine enjoying the real world as much as she loves the online one, and she has no desire to try.

Then Wallace Warland, *Monstrous Sea*'s biggest fanfiction writer, transfers to her school. Wallace thinks Eliza is just another fan, and as he draws her out of her shell, she begins to wonder if a life offline might be worthwhile.

But when Eliza's secret is accidentally shared with the world, everything she's built—her story, her relationship with Wallace, and even her sanity—begins to fall apart.
